

## Understanding Opta data widgets

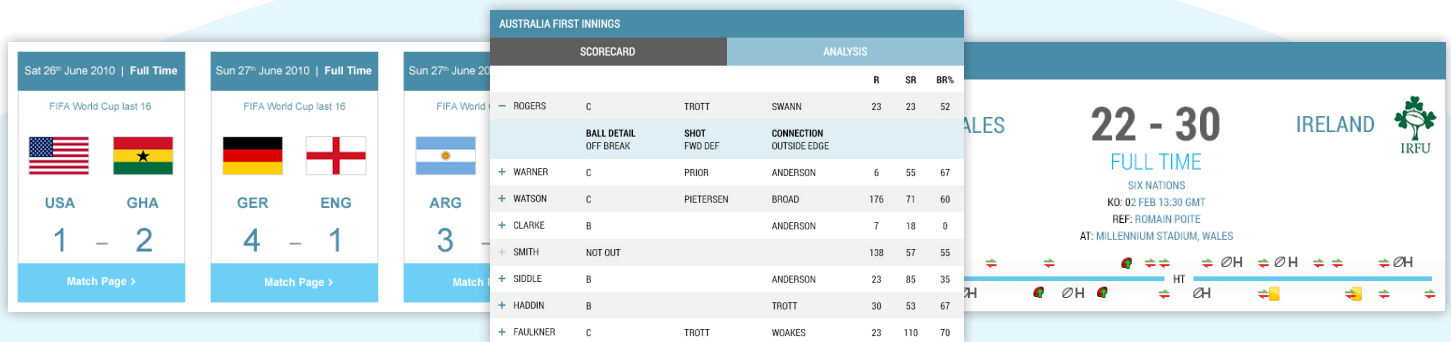

All Opta widgets are fully customisable, easy to implement and hosted by us. There are dozens to choose from and are split into three tiers depending on the level of detail - Core, Classic and Performance.

## About Opta's Core Data widgets

Our Core Data match data widgets offer you the chance to cost-effectively display key information from a huge variety of competitions world-wide. Opta's range of Core Data widgets will transform the way you publish

sports data on your website. Easy to implement, configure and brand, our hosted widget based solution means you never need struggle to integrate feeds again.

## Coverage
