

Understanding Opta data widgets

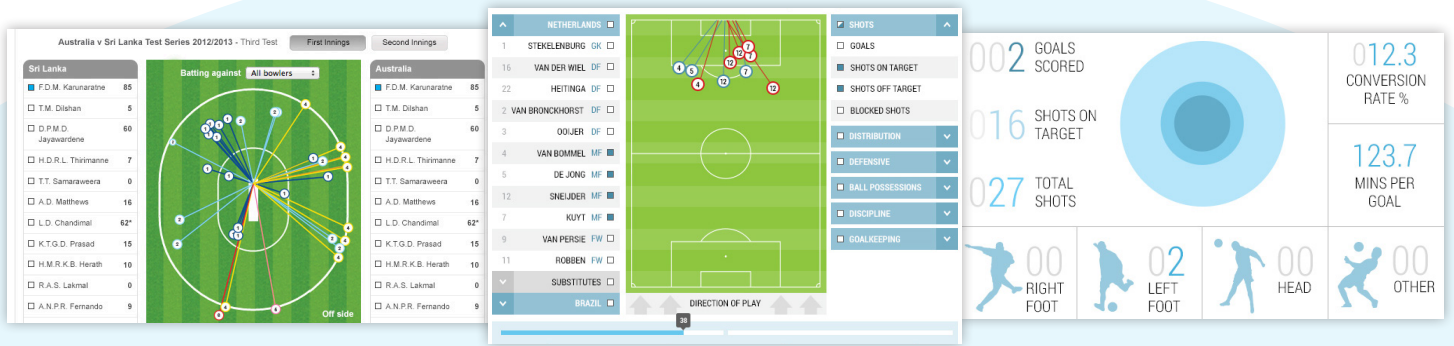

All Opta widgets are fully customisable, easy to implement and hosted by us. There are dozens to choose from and are split into three tiers depending on the level of detail - Core, Classic and Performance.

About Opta's Performance Data widgets

Performance Data widgets offer the most engaging and interactive way to display Opta's live high-definition data. These are the most innovative sports data widgets available and are unique to Opta.

Opta widgets will transform the way you publish sports data on your website. Easy to implement, configure and brand, our hosted widget based solution means you never need struggle to integrate feeds again.

Coverage

Football

Opta's most detailed data powers the most interactive and enthralling match analysis widgets available. These include:

- Chalkboards.
- Average position.
- Heatmaps.
- Passing combinations.
- Goal replays.
- Action areas.
- Attacking thirds.

Rugby Union & Rugby League

Opta has the most detailed rugby union data available and this is used to power our range of interactive rugby Performance Data widgets, including:

- Detailed player statistics.
- Detailed team statistics.

Cricket

Opta has the most detailed live cricket data available and this is used to power our range of interactive cricket Performance Data widgets, including live batting wagon wheels.
