Understanding Opta widgets

All Opta widgets are fully customisable, easy to implement and hosted by us. There are dozens to choose from and are split into three tiers depending on the level of detail - Core, Classic and Performance.

About Opta widgets

Opta powers a host of widgets designed to enable you to have a complete website solution, across a number of sports including football, rugby and cricket.

Our widgets are fully customisable to your needs. You pick the widgets you want, choose where they sit on your site, re-skin them, re-size them and apply your own branding. Add more widgets easily as and when you need to. All of the widgets are powered by Opta's market leading data feeds.

Powered by Opta's market leading data feeds

Opta widgets will transform the way you publish sports data on your website. Easy to implement, configure and brand, our hosted widget based solution means you never need struggle to integrate feeds again.

Some of the benefits of choosing Opta widgets for your website include:

- They can be embedded on any page within your website.
- They are hosted on Opta's cloud.
- Highly configurable - simply decide which elements of data to display according to your own preferences.
- All widgets are independent and future proof. You can add, remove, move and place them with no restrictions.
- Multi-lingual - Opta widgets currently support English, French, Italian, Spanish and German. Additional languages are available on request.
